Happy faces

ABOUT 300 underprivileged children had a fun time during the 1Malaysia Cheer Programme organised by the Rotary Club Petaling Jaya (RCPJ) at the Subang Golf Club in Kelana Jaya recently.

The children were from SK Sungei Way, SJKC Sungei Way, SJKT Vivekananda and Angel Shelter Home.

Special guest at the event was Deputy Finance Minister Datuk Donald Lim Siang Chai (in blue shirt).

Lim said the programme, organised by the RCPF on a regular basis, would help to make sure the children were not neglected in the midst of development in the country.

Also present was RCPJ president Leong Yeng Kit.

The children, who were treated to lunch, were entertained with cultural performances and magic shows during the four-hour event. They also went home with gifts.
